Dear Sir/Madam,

Please be informed that the Faculty member(KTU-F1522 - Rahumeth Beeby) is appointed as Examiner to the centralized valuation camp for Valuation of answer scripts of CIRCUITS AND NETWORKS(EE201) which will be held at SAINTGITS COLLEGE OF ENGINEERING,KOTTAYAM(C37) in the month of December, 2017

You are requested to report the camp on 08/01/2018 (Monday) at 9 AM.

The posting order can be downloaded after logging on to the KTU e-Gov Portal.

Dear Principal,

The second semester M.Tech. examination is scheduled to start on 23/04/2018.

You may ensure that all the question paper setters under your institution prepare the question papers on or before 13/04/2018.

The detailed instructions and a sample question paper kit are hereby attached. Question paper setters may adhere to the guidelines and instructions and ensure the confidentiality of the question papers.

Please instruct the faculty members concerned to adhere to the following points:

1. The faculty members teaching various PG courses under APJA KTU shall submit three sets of question papers. The question paper in the prescribed format shall be forwarded to the respective chairpersons on or before 13/04/2018. It is requested to treat this matter as urgent.
2. The faculty members are requested to keep at most care in ensuring the confidentiality of the question papers.
3. The header shall be exactly as in the sample kit attached. Both LaTeX and Microsoft word formats are given in the sample kit. However, one may use any word processing software to set the question paper. The final file format to be sent to the chairman is PDF format. Please ensure that name of examination, course name, course code, etc. are correctly entered in the header.
4. Question papers with mathematical content shall be entered using MS equation editor or preferably using LaTeX or appropriate software in order to keep the clarity of the equations.
5. The structure of the question paper is given in the sample kit.
6. Question papers SHALL NOT be marked as "Model Question" etc, and should not be given to students as model question paper.
7. Question papers for analytical courses shall have at least 50% numerical/analytical questions.
8. Change the highlighted portions in the DOCx format to the appropriate content.
9. Once the question is done, export it to PDF format and check whether all symbols, equations, figures etc. have been reproduced correctly.
10. Send the question paper in the PDF format, with file name set as follows:
04EE6342-A.pdf,
04EE6342-B.pdf,
04EE6342-C.pdf

for the three sets of question papers for the course 04EE6342 (where 04EE6342 is the Course code). Please ensure that the file name is EXACTLY as above.

11. Finally, once the chairman acknowledges the receipt of the question papers, destroy the copies from your PC, sent mail folder or cloud drive as a precaution.

12. If the question papers are not according to the formats specified, the Chairman may reject the question paper and get a fresh question paper from the faculty concerned.

Please keep at most care in ensuring the confidentiality of the question papers.

Regards,

Cluster Convener,
(Principal RIT Kottayam)

Dear Principal,

The second semester M.Tech. examination is scheduled to start on 23/04/2018.

You may ensure that all the question paper setters under your institution prepare the question papers on or before 13/04/2018.

The detailed instructions and a sample question paper kit are hereby attached. Question paper setters may adhere to the guidelines and instructions and ensure the confidentiality of the question papers.

Please instruct the faculty members concerned to adhere to the following points:

1. The faculty members teaching various PG courses under APJA KTU shall submit three sets of question papers. The question paper in the prescribed format shall be forwarded to the respective chairpersons on or before 13/04/2018. It is requested to treat this matter as urgent.
2. The faculty members are requested to keep at most care in ensuring the confidentiality of the question papers.
3. The header shall be exactly as in the sample kit attached. Both LaTeX and Microsoft word formats are given in the sample kit. However, one may use any word processing software to set the question paper. The final file format to be sent to the chairman is PDF format. Please ensure that name of examination, course name, course code, etc. are correctly entered in the header.
4. Question papers with mathematical content shall be entered using MS equation editor or preferably using LaTeX or appropriate software in order to keep the clarity of the equations.
5. The structure of the question paper is given in the sample kit.
6. Question papers SHALL NOT be marked as "Model Question" etc, and should not be given to students as model question paper.
7. Question papers for analytical courses shall have at least 50% numerical/analytical questions.
8. Change the highlighted portions in the DOCx format to the appropriate content.
9. Once the question is done, export it to PDF format and check whether all symbols, equations, figures etc. have been reproduced correctly.

10. Send the question paper in the PDF format, with file name set as follows:

- 04EE6342-A.pdf,
- 04EE6342-B.pdf,
- 04EE6342-C.pdf

for the three sets of question papers for the course 04EE6342 (where 04EE6342 is the Course code). Please ensure that the file name is EXACTLY as above.

11. Finally, once the chairman acknowledges the receipt of the question papers, destroy the copies from your PC, sent mail folder or cloud drive as a precaution.

12. If the question papers are not according to the formats specified, the Chairman may reject the question paper and get a fresh question paper from the faculty concerned.

Please keep at most care in ensuring the confidentiality of the question papers.

Regards,

Cluster Convener,
(Principal RIT Kottayam)
Kottayam Cluster, APJAKTU

Minutes of Meeting

All the faculty members of EEE, IQAC coordinator and Placement officer were present in the meeting conducted on 14/07/2017 at EEE HoD Cabin to finalize the add on course / Certificate course and the activities like Guest Lecture to be offered for the current academic year to bridge the gap identified in the Curriculum.

After analyzing the feedback received from various stakeholders like students, faculty, Alumni and Employers, the gap in the Curriculum prescribed by KTU is identified. Further the discussion is held on selection of Add on course/Certificate course and identification of Guest lectures on par with the Standards of premier institutes and Industry expectations. Finalized the following add on courses/Certificate course and guest lectures for the Academic Year 2017-2018.

Details of Add on Courses/Certificate course:

S. No	Name of Certificate Courses	Year/ Semester	Total No of Hours	Date of Commencement	Faculty Coordinator
1	ETAP	IV/S8	30	20/01/2018	Ms. Shoma Mani
2	Electrical CAD	III/S7	30	12/8/2017	Ms. Mr. Aju Thomas
3	LaTex for Beginners	II/S3	30	12/8/2017	Ms. Dhanya S
4	Proteus PCB Designing	III/S5	30	12/8/2017	Ms. Liya Alias

The faculty members will be initiated at the earliest to design the curriculum for the specified Add on course / Certificate course after getting approval from the Principal.

Circular

The faculty members along with IQAC Coordinator and Placement Officer are requested to assemble for a meeting at 1:30 pm on 14/07/2017 in HoD Cabin.

Agenda:

1. Review of KTU university Curriculum and Syllabus
2. Review of gaps identified
3. Suggestions for Add on / Certificate course during academic Year 2017-2018
4. Suggestions to the bridge the gap

Copy to:

1. Principal
2. EEE Department faculty members

Question paper and answer key for KTU MTech exam April/May 2018-URGENT!!!

1 message

Mon, Apr 16, 2018 at 1:05 PM

Binoj Kumar A C <binojkumar@rit.ac.in>
 Bcc: shomamani@gmail.com

Dear Sir/Madam,

As you know, the second semester M.Tech. examination is scheduled to start on 23/04/2018. Kindly recollect the mail from KTU regarding question paper setting of s2 MTech exam. I request you to prepare the question papers and their scheme (answer key) for the M.Tech. course being handled by you, as done in the previous semester. **Kindly send me the question paper(s) and answer key(s) on or before 18th April 2018 (wednesday).**

The detailed instructions and a sample question paper kit are hereby attached. Question paper setters may adhere to the guidelines and instructions and ensure the confidentiality of the question papers.

Please adhere to the following points:

1. By the directions of the Cluster Convenor, I request you to send the question papers at the earliest. The number of question papers to be prepared by each faculty is shown against the course code, in the file: **No_MTech_QP_needed_May_2018.pdf** attached. It is requested to treat this matter as urgent.
2. The faculty members are requested to keep at most care in ensuring the confidentiality of the question papers.
3. While preparing the question paper, please follow the directions attached, in all respects - type/size of font, header/exam slot, etc. **It is noted that a few teachers are putting special characters/fonts to identify their question paper. Such activities will be viewed seriously and will be reported to Controllers of Exams, KTU immediately for further actions.** A sample question paper is also attached for ready reference (Sample_QP_kit.rar .zip). Both LaTeX and Microsoft word formats are given in the sample kit. However, one may use any word processing software to set the question paper. The final file format to be sent to the chairman is PDF format. Please ensure that name of examination, course name, course code, etc. are correctly entered in the header. **Please add exam slot code (shown in the syllabus) on the right top corner of the first page of the question paper.**
4. Question papers with mathematical content shall be entered using MS equation editor or preferably using LaTeX or appropriate software in order to keep the clarity of the equations.
5. The structure of the question paper is given in the sample kit. **Kindly note that month and year should not be indicated on the question paper.**
6. Question papers SHALL NOT be marked as "Model Question" etc, and should not be given to students as model question paper.
7. Question papers for analytical courses shall have at least 50% numerical/analytical questions. For other courses, include at least one numerical/analytical question in Part-A and one numerical/analytical question in Part-B. In Part-B, numerical/analytical question should not be *bypassed* by theoretical questions. That is, if the pattern is Q.9 OR Q.10, and assume Q.9 is an numerical/analytical question, then Q.10, must be an numerical/analytical question
8. Change the highlighted portions in the DOCx format to the appropriate content.
9. Once the question is done, export it to PDF format and check whether all symbols, equations, figures etc. have been reproduced correctly.
10. Send the question paper in the PDF format, with file name set as follows:

For a Question Paper of 04EE 6602 with exam slot:B prepared by the faculty with KTU ID:KTU-F11266,question paper file name should be: 04EE6602-B_KTU-F11266_QP-1 (first question paper).Similarly, answer key file name should be: 04EE6602-B_KTU-F11266_AK-1 (answer key for the above question)

11. Please send me the pdf of question paper and answer key (separate pdf file) at the earliest. Make sure that you have sent the files only to me, not to other persons (even to your HOD). A sample question paper is also attached for ready reference.

12. If the question papers are not according to the formats specified, it will be summarily rejected.

Please keep at most care in ensuring the confidentiality of the question papers.

Thanks and regards,

Dr. Binoj Kumar A.C.
