You may ensure that all the question paper setters under your institution prepare the question papers on or before 20/11/2019.

The detailed instructions and a sample question paper kit is hereby attached. Question paper setters may adhere to the guidelines and instructions and prepare the question papers strictly as per the syllabus and course plan of the concerned courses and ensure the confidentiality of the question papers.

Please instruct the faculty members concerned to adhere to the following points:

1. The faculty members teaching various PG courses under APJA KTU shall submit three sets of question papers. The question paper in the prescribed format shall be forwarded to the respective chairpersons on or before 20/11/2019. It is requested to treat this matter as urgent.

However, one may use any word processing software to set the question paper. The final file format to be sent to the chairman is PDF format. Please ensure that name of examination, course name, course code, etc. are correctly entered in the header.
 4. Question papers with mathematical content shall be entered using MS equation editor or preferably using LaTeX or appropriate software in order to keep the clarity of the equations.
 5. The structure of the question paper is given in the sample kit.
 6. Question papers SHALL NOT be marked as "Model Question" etc, and should not be given to students as model question paper.
 7. Question papers for analytical courses shall have at least 50% numerical/analytical questions.
 8. Change the highlighted portions in the DOCx format to the appropriate content.
 9. Once the question is done, export it to PDF format and check whether all symbols, equations, figures etc. have been reproduced correctly.
 10. Send the question paper in the PDF format, with file name set as follows:
04EE6342-A.pdf,
04EE6342-B.pdf,
04EE6342-C.pdf
- for the three sets of question papers for the course 04EE6342 (where 04EE6342 is the Course code). Please ensure that the file name is EXACTLY as above.
11. Finally, once the chairman acknowledges the receipt of the question papers, destroy the copies from your PC, sent mail folder or cloud drive as a precaution.
 12. If the question papers are not according to the formats specified, the Chairman may reject the question paper and get a fresh question paper from the faculty concerned.
