Sub: B.TECH S6 CSE ELECTIVE REGISTRATION FOR EVEN SEMESTERS JAN - JUNE, 2021

All the students of semester-V are directed to register for their electives in the upcoming semesters-VI For registration, submit your elective options to the class in charge on or before 15<sup>th</sup> March 2021.

The list of available electives as per the university syllabus is following.

Elective I		
Offered By Parent Department	Global /Interdisciplinary Electives	Offered By
1. CS366 Natural Language Processing	NIL	CSE
2. CS368 Web Technologies		
3. CS372 High Performance Computing		

NOTE: The elective subject will be offered by the department only when the number of students registered for a particular subject matches with the criteria prescribed by the university. Contact the class in charge whether a course will be offered

All the students of semester-VI are directed to register for their electives in the upcoming semesters-VII. For registration, submit your elective options to the class in charge on or before 29<sup>th</sup> July 2020.

The list of available electives as per the university syllabus is following.

Elective I		
Offered By Parent Department	Global/Interdisciplinary Electives	Offered by
EC461: Microwave Device and Circuits	NIL	ECE
EC463: Speech and Audio Signal Processing		
EC465: MEMS		
EC469: Optoelectronic Device		

**NOTE:** The elective subject will be offered by the department only when the number of students registered for a particular subject matches with the criteria prescribed by the university. Contact the class in charge to confirm whether a course will be offered.

### **Guide lines passed to students for the selection of Elective.**

All students shall choose elective subjects from a set of elective subjects prescribed in the syllabus and offered by the institution. There should be at least 25% students of the class for an elective subject to be offered. However, any student having a CGPA of not less than 7.5 shall be permitted to select an elective of his/her choice and register under a faculty subject to the permission from the faculty and Head of Department. The student will have to study this subject on his own (self-study mode) or the classes of this subject shall be taken during off-hours.

A student can opt for interdisciplinary electives, termed as global electives in the syllabus, maximum one during 8th semesters subject to the permission from both Heads of Departments and the faculty handling the elective subject. Minimum number of students for a global elective shall be 15 and maximum 60. New electives may be introduced according to the needs of emerging fields in technology. The name of the elective and its syllabus should be approved by the university before the subject is offered as an elective. Students are given copy of elective syllabus. Concerned faculties give small introduction of each module in the syllabus. Based on this students will select the elective subject. We prepared list of students for each elective and this is signed by HOD
