CERTIFICATE

TO WHOMSOEVER IT MAY CONCERN

This is to certify that the following 1st semester students of Department of Civil Engineering, Mangalam college of Engineering, Ettumanoor, Kottayam had visited our construction site on 21nd June 2021 – 25th June 2021, as part of their curriculum. During the period of Internship Programme with us, they were found punctual, hardworking and inquisitive.

Thanking you

Yours faithfully

Managing Director

Dear Vinodh Sir / Ranju Ma'am,

Greeting from ICT Academy of Kerala!

We are glad to inform you that we are launching our "LEARN PYTHON BY DEVELOPING A WEBSITE" an instructor led Virtual training program for Engineering students in Kerala. This program is specially designed for freshers to develop their programming skills.

Second year and Third year students can utilize this opportunity to start their journey toward the programming world.

Why Python?

Python become a basic essential programming language for the engineering students to build their career in IT on IR 4.0 technology and a high demand programming language of the industries.

Why python is most popular programming language among industries and students?

1. Easy to Learn – Beginners and Non – IT students
2. Large community of developers and rich set of Libraries & frameworks (Open source)
3. Most demanded in corporates
4. Use in Big Data, AI, ML, DL, and IoT.
5. Versatility – use for Mobile app, web app and hardware related programming

Internal Quality Assurance Cell (IQAC)

MANGALAM COLLEGE OF ENGINEERING
Ettumanoor

Interested students can enroll for the course using the following registration link.
For registration: <https://forms.gle/yy9Zaqmk8Vj2whhx6>

Detailed program agenda and pedagogy of course delivery is attached for your perusal.

Unlimited Opportunities..... Limited Time

Feel free to call the undersigned for any details / support.

Best Regards,

Sreekumar K V

Head - Academic Relations,

ICT Academy of Kerala,

Techno Park Campus, Trivandrum.

Python – A Global Language

Learn Python by Developing a Website is an instructor led Virtual training program offered by ICT Academy of Kerala for Engineering / Science graduating students in Kerala. This program is specially designed for students who are new to the programming world and would like to build their career in Information technology.

Why Python?

Python become a basic essential programming language for the students to build their career in IT on IR 4.0 technology and have a high demand in IT industries.

Why python is most popular programming language among industries and students?

1. Easy to Learn - Beginners and Non - IT students
2. Use in Big Data, Data Science, AI, ML, DL, and IoT.
3. Large community of developers and rich set of Libraries & frameworks (Open source)
4. Versatility - use for Mobile app, web app and hardware related programming
5. Most demanded programming skill in corporates.

Key Features

- Learn the basics of Python programming.
- Use Python to build your own website and host it.
- Drive into website development with Python flask.

What you Learn from our program

- Data Visualization-what why and how.
- Introduction to Python programming.
- Setting-up Python Learning Environment.
- Input/Output functions.
- Data Types.

 Internal Quality Assurance Cell (IQAC)
 Mangalam College of Engineering
 Kottayam, India - 686 631

LEARN PYTHON BY DEVELOPING A WEBSITE PROGRAMME BROCHURE

A Govt. Supported and Industry led Program

For Registration

<https://forms.gle/yy9Zaqmk8Vj2whhx6>

Course Fee

Rs. 600 + 19 % GST per student

Duration

Duration: 10 Days (Live classes during afternoon hours)

Delivery: Blended Mode (Live and recorded sessions)

Certificate

ICTAK will provide Digital certificate to all the participants after successful completion of the program.

Important Dates

Last date for registration: 30th Nov 2020.

Course start date: 5th Dec 2020.

End date: 17th Dec 2020.

Dear Vinodh Sir,

Greeting from ICT Academy of Kerala

Thank you for your support to encourage your students to join Salesforce "Become Job ready for Developer" program jointly organized by ICT Academy of Kerala.

Following students from your college shows their willingness to participate in the program

(From the registered students list, students with Laptop / desktop & Net connection are (only) shortlisted for this program)

These students are requested to do a signup with salesforce platform and start their learning.

Mail communication draft and step-by-step instruction to do the signup is attached for your reference.

We requesting the college to do the needful to send the communication to the students listed below.

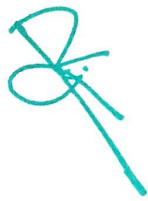

Note : The mail is copied to the faculty members who attended the Salesforce FDP and they will support the students on their learning journey.

Trailblazer Connect India Course Details

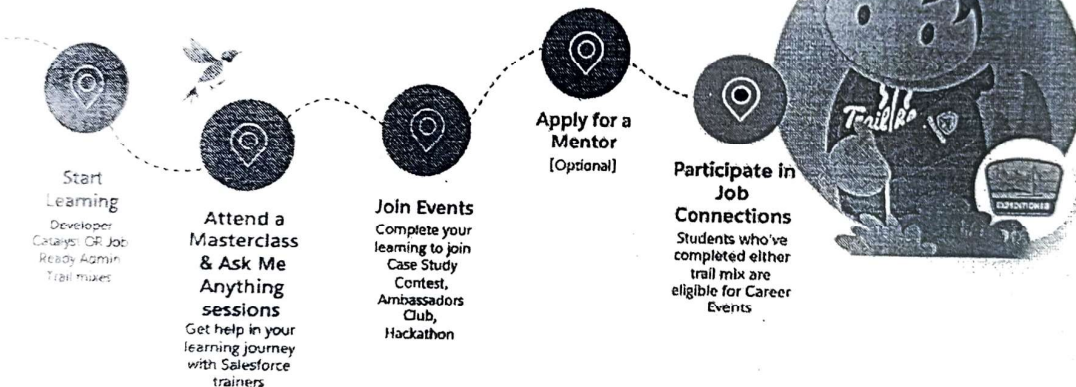

What is Trailblazer Connect?

Trailblazer Connect is a program that connects students with their next opportunity in the Salesforce Ecosystem. Through Trailhead learning, expert-led webinars, career resources, a mentorship program, and classroom resources, Trailblazer Connect brings job seekers and employers together.

Vision: To deliver students programs in India, in a meaningful and impactful manner, with the values of Salesforce of trust, customer success, innovation and equality. Our programs empower Student Trailblazers to reach their goals to learn new skills, earn valuable credentials, connect within the Salesforce Ecosystem.

Trailblazer CONNECT Journey

Your path to jumpstart your career

What are the Student Courses under Trailblazer Connect?

1. Salesforce Developer Catalyst
2. Become Job Ready Admin

Who Can Apply to the Program?

1. Salesforce Developer Catalyst Track

Students in the final year pursuing Technical education with basic concepts of OOPs and Java.

Preferred streams: B.E. / B.Tech / B.C.A. / M.C.A. / M.Tech

Internal Quality Assurance Cell (IQAC)
Mangalam College of Engineering
Kottayam, India - 686 631

2. Salesforce Become Job Ready Admin Track

Students in the final year of any stream can learn the Salesforce Admin track

Preferred streams: M.B.A. /B.B.A. /B.Com / B.A. / B.Sc. or any other non-technical streams

Start Learning: mixes for Students

Trail

Who is a Salesforce Developer?

You love cracking the code on tricky problems, believe repetitive tasks should be automated, and think the best answer is the simplest and most elegant. Whether you're already cozy with JavaScript or think it sounds like a fancy coffee drink, a career as a Salesforce Developer might be what you're looking for.

Course Name : Salesforce Developer Catalyst

National Occupational Standards (NOS) aligned program where students learn full stack development for Developer role with Platform Developer 1 credentials

Skills covered:

- Meet the tools and technologies that power development on the Salesforce platform
- Get introduced to the platform, navigate use cases, and build custom functionality
- Learn about Salesforce Multi-tenancy Architecture and create a Sample Application
- Complete the super badge set for Platform Developer I credentials
- Hands-on practice with Salesforce functionalities.

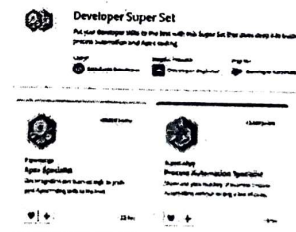

Duration : - 54 hours (5 weeks)

Mode of Learning : Self Paced Online Learning on Trailhead, Monday & Wednesday sessions with Salesforce trainer, Ask Me Anything Sessions on Saturday, Events

Benefits for students :

- Learn an in-demand cloud technology
- National Occupational Standards aligned course
- Earn 30 badges
- Hands-on experience with 9 projects
- Learn with 7 demos
- Earn 2 Superbadges - Apex Specialist & Process Automation

Salesforce Developer Catalyst

5 Weeks Program:

Who is a Salesforce Administrator?

You bring innovation to life, bridging the gap between business requirements and technology. For your company, this means automating complex business processes, creating reports and dashboards, and training users on Salesforce. For your team, it means helping them stay efficient and on top of things while keeping an eye on their successes and customer relationships.

Course Name: Become Job Ready Admin

We use the power of our free learning platform — Trailhead — to teach you everything from the fundamentals of the Salesforce platform, security features, power of Sales Cloud and Service Cloud in Salesforce, explore Reports and Dashboards. Discover the features of Community Cloud, Marketing Cloud and power of Einstein Analytics in Salesforce.

Skills Covered:

- Supplement your education with Salesforce skills and differentiate yourself in the job market.
- Benefit from the knowledge and experience of our Trailblazer Community.
- Build your skills and personal brand in the Salesforce ecosystem.
- Prepare for interviews with job-readiness activities and mentorship opportunities.

Duration : - 47 hours (5 weeks)

Mode of Learning : Self Paced Online Learning on Trailhead, Ask Me Anything Sessions, Events

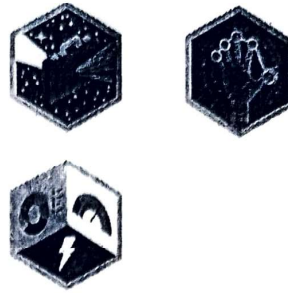

Benefits for students:

- Earn 31 badges

Internal Quality Assurance Cell (IQAC)
Mangalam College of Engineering
Kottayam, India - 686 631

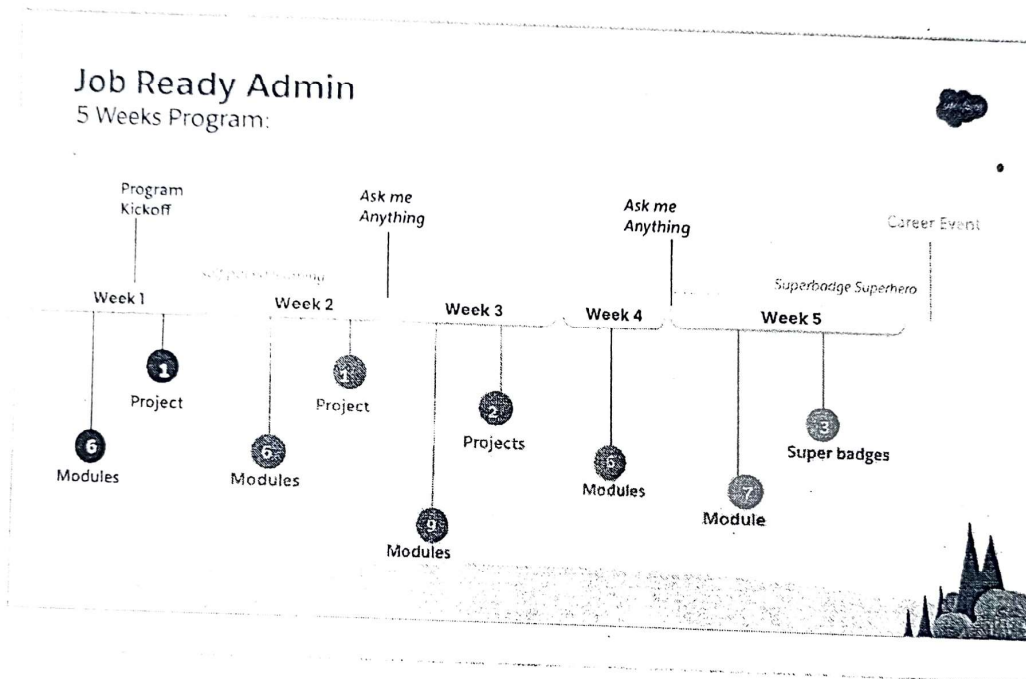

MANGALAM COLLEGE OF ENGINEERING
Ettimadoor

- Hands-on experience with 4 projects
- Earn 3 Superbadges

Dear Ranju Ma'am,

We are extremely excited to bring you a women-centric program in association with Salesforce as part of Salesforce's Diversity and Inclusion program. It is a joint D&I initiative of Salesforce looking to skill and empower around 1k girl students in India. Please see below the key highlights of the program.

Key Highlights:

- Launch date - April 2021.
- Duration: 12 weeks
- Time commitment from students: 4-6 hours a week
- Format: self-paced with guided help from instructors
- Mentorship and Job Connections

Thank you for recording your willingness to part of this program and we shared your willingness with Salesforce.

Audience: Only 2nd year (Technical / Non-Technical) colleges girl students.

More details of the program is attached for your perusal.

Feel free to let me know if you have any questions/ suggestions on implementing this program.

Thank you for your support.

Best Regards,

Sreekumar K V

Internal Quality Assurance Cell (IQAC)
Mangalam College of Engineering
Kottayam, India - 686 631

Course Structure

12-week learning journey from APR 2021

-  Asynchronous Trailmixes curated by Trailblazer Connect
-  Taught by our internal Trailhead Guides, Community Members, partners, and customers
-  Weekly live sessions with structured content and Q&A
-  Superbadge challenge to incentivize new learners

Salesforce Fundamentals Women in Tech Initiative

Course Journey

3-weeks | Trailblazer Connect

Learning Objectives:
Introduce Salesforce, CRM, Trailhead, Ecosystem

- 1: What is Salesforce?
- 2: Salesforce platforms and products
- 3: High level overview of Salesforce ecosystem

6-weeks | Trailblazer Connect

Learning Objectives:
Gain hands-on experience

- 1: Business user basics
- 2: Salesforce & the customer
- 3: User management
- 4: Automate business processes
- 5: Data access & security
- 6: Reports & dashboards

3-weeks | Talent Alliance

Learning Objectives:
Career exploration and customer, partner exposure

- 1: Intro to partners & customers
- 2: Salesforce customer case study (led by partner)
- 3: Getting started in the ecosystem

Salesforce Fundamentals India Women in Tech Initiative

Vision Provide women job seekers an introduction to Salesforce through self-guided Trailmix work and weekly virtual learning sessions. Build Salesforce skills through Trailhead and hands-on projects. Encourage women job seekers to explore career paths within the ecosystem through networking opportunities with partners and customers.

Audience

- Early career seekers, students, new grads, and career changers just starting with Salesforce
- Community members: Trailblazers in the community sharing their Salesforce experience
- Trailhead guides: Internal Salesforce employees
- Salesforce partners and customers: looking for opportunity to connect to job seekers

Goals

- Increased awareness and understanding of Salesforce and the Salesforce ecosystem
- Preparation for Business Administration Specialist Superbadge
- Increase credentialed individuals
- Provide free, virtual training
- Build career ready skills
- Connect job seekers to partner ecosystem

Internal Quality Assurance Cell (IQAC)
Mangalam College of Engineering
Kottayam, India - 686 631

Career readiness & soft skill enablement asynchronous and aligned to career path programming

PRINCIPAL
MANGALAM COLLEGE OF ENGINEERING
Kottayam

1 (continued)

Week 4

- Understand what a business process is
- Document a business process
- Understand automation options in Salesforce and which to use for different purposes

Week 5

- Communicate the value of data, data accuracy, and clean data
- Understand how different roles need different data points

Week 6

- Articulate how reporting and dashboards help companies make decisions
- Understand how reports and dashboards help answer questions

Week 1

- Define what Salesforce partners and customers do
- Explain how Salesforce, our customers, and partners all work together

Week 2

- Salesforce Partner and customer example*
- Learn how Salesforce partners help customers solve business challenges
- Get exposure to "day in the life" technical and soft skills in various Salesforce positions

Week 3

- Discover how Trailblazers got their start
- Show what employers look for in job seekers
- Use learnings from Fundamentals to navigate landing a role

Fundamentals 101

Introduction to Salesforce

3-weeks | Led by TB Connect

Learning Objectives:
 Introduce Salesforce, CRM, Trailhead, Partner Ecosystem

1: What is Salesforce?
 2: Salesforce platforms & products
 3: High level overview of Salesforce ecosystem

Build Your Salesforce Skills

6-weeks | Led by TB Connect

Learning Objectives:
 Build foundational Salesforce skills

1: Business user basics
 2: Salesforce user interface & the customer journey
 3: Salesforce ecosystem

Internal Quality Assurance Cell (IQAC)
 Mangalamm College of Engineering
 Kottayam, India. ☎ 886 631

Week 1

- Describe what a CRM is
- Explain the Salesforce ecosystem
- Learn how to use Trailhead and about the Trailblazer Community

Week 2

- Understand how customers use Salesforce products through business scenarios
- Understand how Salesforce products work together to create a solution for customers

Week 5

- Learn about technical and non-technical roles and which skills are important for each
- Learn which credentials help you get each type of role

Week 1

- Describe Customer Relationship Management (CRM) and how it is used within companies
- Identify functional areas that rely on CRM

Week 2

- Understand the different groups within a company that engage with potential customers
- Explain the difference between a lead and a customer
- Describe Sales Funnel, Sales Process, KPIs

Week 3

- Explain user roles within the company
- Understand different roles require different access to information
- Understand how Communities can help with collaboration

Dear Faculties,

Greetings of the day !

It is with great pleasure that we would like to announce that the Enrollment Day for the Course of Robotic Process Automation from Uipath is scheduled to commence on 20th January, 2021, Wednesday.

You are requested to schedule a meeting in Webex and ensure that all the students enrolled for the programme is present on the day. The Faculty Coordinator shall kick start the class by a presentation on the Foundation of the course and after the same shall enroll the students to the official website of Uipath (Detailed Document for enrollment is attached for your reference and action).

NB: Please communicate the same with all the selected students from your reputed institution.

We humbly request you to take screenshots of the enrollment day and share it with the program managers working with your college for documentation purposes.

Please find the attached document for Student Enrollment Day & the presentation which you can use to introduce RPA to students.
We request you to kindly go through the same and revert back for any query or clarification.

Please track the Progress of the students, kindly share it with the program manager working with your college whenever asked for. Uipath will share the tracking mechanism after 2 to 3 weeks of enrollment of the course only if the Account and Privacy Settings are updated. (Refer the attached document)

Dear Madam,

At the outset of successfully completing the Enrollment of the students for the RPA Batch 2, the next important step is to ensure that the students complete the course as per the timelines shared.
For the 2nd Batch of RPA, we have formed batches at the institutions with a maximum number of 15 students only, so that their progress can be tracked properly and the course completion shall be ensured.

PRINCIPAL
MANGALAM COLLEGE OF ENGINEERING
Ettumanoor

Sharing below the Course Progression Tracker for th .PA Batch 2
[Course Progression Tracker RPA Batch 2](https://docs.google.com/spreadsheets/d/1OaY8VoBroB3MIWRLfT41hDYmJblE7SOS9dgG5QEJ5is/edit?usp=sharing)
<https://docs.google.com/spreadsheets/d/1OaY8VoBroB3MIWRLfT41hDYmJblE7SOS9dgG5QEJ5is/edit?usp=sharing>

We request all the faculties to update the tracker and to do regular monitoring of students and ensure that the timelines are adhered to.

The timelines for the course have been set keeping in mind all the possible engagements the students might have in between as part of their academic's schedules.

Expecting your full support and cooperation in completing the course.
Wishing you a great day ahead,

Warm Regards,
Aneesh

<dpmktm@asapkerala.gov.in>

Dear Madam/Sir,
Greetings!!!

In an increasingly competitive higher education environment, Robotic Process Automation is one of the top technologies in today's Program; the students at engineering colleges can gain growth in their knowledge and career.

With reference to the above context, we will be offering 2 courses under Robotic Process Automation Developer namely **Robi Foundation Level and Robotic Process Automation Developer Advanced Level** in association with **UIPath**. Unlike the First Level will be offered only at Engineering Colleges, initially focusing on the course "**Robotic Process Automation Developer Found** complete the above-mentioned course will only be eligible for the next level course on **Robotic Process Automation Developer Ad** attached herewith for your reference.

OBJECTIVE OF THE COURSE:

- To understand Basic Programming concepts and the underlying logic/structure
- To Describe RPA, where it can be applied and how its implemented
- To describe the different types of variables, Control Flow and data manipulation techniques
- To Understand Image, Text and Data Tables Automation
- To describe automation to Email and various types of Exceptions and strategies to handle

TARGET GROUP: 5th SEMESTER

BATCH SIZE: 15 students/batch

Kottayam, India - 686 631

PRINCIPAL
MANGALAM COLLEGE OF ENGINEERING

BRANCH: Any

DURATION:

- ü RPA DEVELOPER FOUNDATION: 40 Hours
- ü RPA DEVELOPER ADVANCED: 43 Hours

MODE OF DELIVERY: Online with Study Jams (Minimum 3 Study Jams to be conducted is a mandate)

COURSE FEE: NIL (The student will get a Diploma certificate after successfully completing the course on RPA Developer Foundation/

CERTIFICATION COST: 150\$ (50% discount Voucher)

PROJECTED JOB OPPORTUNITIES

- Robotic Process Automation Manager
- Consultant Robotic Process Automation
- Robotic Process Automation developer

GENERAL GUIDELINES:

Initially, the course offered will be the Foundation Course on Robotics Process Automation. If a student successfully completes the the Advanced Level course.

The Process flow for the enrollment of students of Engineering Colleges into the programme at an institution will be as follows:

1. The students have to register to this google Form: (<http://asapkerala.gov.in/?q=node/1010>)
2. After the consolidation of the willing students' list, and if there are more than 15 applicants, a committee shall be formed constituting Principal, PM for the student selection process which shall include a personal interview.
3. A rank list based on the interview and the students' willingness to take up RPA Certification shall be published on the college notice board/ circi Principal (Digital Signature)
4. The faculty shall get the signed consent letter from the enrolled students which shall state the willingness of the student to get enrolled for the c completing the course with the interest of the student and the same should be shared with the ASDC-PMs (The ASDC-PMs shall share the c)
5. After this process, the students shall fill the MIS Form for ASAP to mangalalam college of engineering students on or before 23rd October 2022

Mangalalam College of Engineering
Kottayam, India - 686 631

6. The faculty coordinator shall share the students' list in the format given below:

| S.No. | student_name | student_register_number (KTU NUMBER) | student_email | student_mobile | student_branch_code (Semester) | student_batch_r Branch Nam. |
|-------|--------------|-----------------------------------------|---------------|----------------|-----------------------------------|--------------------------------|
| | | | | | | |

Please find the timeline for the batch formation

| S.NO. | TASK/ACTIVITIES | END DATE |
|-------|-------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------|
| 1 | Faculty Coordinator Training (20/07/2020- 29/07/2020) | Completed |
| 2 | Sharing of Diplomas Certificate of faculty Coordinators with Division | Completed- 5/08/2020 |
| 3 | The orientation of Institution Fraternities | 10/10/2020 |
| 4 | Registration Closing | 16/10/2020 |
| 5 | RPA willingness students and Certification Preferring students list sharing | 20/10/2020 |
| 6 | Batch Formation completion, Consent Letter from student & share the Students List in the required format to the ASDC Division (format attached) | 24/10/2020 |
| 7 | Class Commencement | 2/11/2020 |

Expecting your full support and cooperation in this regard.
Feel free to contact the field Programme Manager working with your college for any other information.
Wishing you a great week ahead.

Thanks and Regards

Dear Prof. Sneha,

We have launched the 3rd batch of the Google ACE program in partnership with ASAP Kerala, to help students prepare for careers in a Cloud-first world and we would like to invite **MANGALAM COLLEGE OF ENG, Kottayam** to participate in it.

By participating in the program, your students will get access to leading edge, enterprise-ready curriculum and learning resources for

Internal Quality Assurance Cell (IQAC)
Mangalam College of Engineering
Kottayam, India PIN: 6861631

MANGALAM COLLEGE OF ENGINEERING

FREE to help them get started on the path to achieving the industry-recognized Associate Cloud Engineer certification!

Confirm your participation by 30th March

After working with ASAP, we have determined that you will be spearheading the program in your institution. In order to confirm that, please click the button below and send us your final confirmation before 30th March so that we can start your onboarding process with a short video call.

(Note: This button will open a draft email using which you can send your confirmation.)

Suggested reading

Here are some informational resources that you can share with faculty and students:

- Career Readiness program website, Slides and faqs
- About the Career Readiness: Associate Cloud Engineer track videos
- **Selectng students** - Google Cloud Career Readiness program is aimed at 6th semester CSE (or related) students only. In the initial phase, the program is open to a maximum of fifty (50) students per college.

Please feel free to reach out to me should you have any questions.

Looking forward to hearing from you,

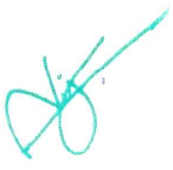

Akshit & the Google ACE Program Team

Sir,

Subject: Letter of Appreciation - Resource person in AICTE ATAL online FDP program from
14/12/2020 to 18/12/2020.

The Department of Electrical, Electronics and Communication Engineering, GITAM School of Technology, GITAM Deemed to be University, Bengaluru Campus would like to thank you for your contributions in AICTE ATAL Sponsored online FDP on "Cyber Security and Digital Forensics" on 15.12.2020. Your session on "VPN Technology and Cryptography" was acknowledged as highly value adding in this programme.

We look forward to your participation and association on future events and research endeavours.

Thanking you,

Director
