MANGALAM COLLEGE OF ENGINEERING
Ettumanoor

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into this on 28-08-2018), by and between

Mangalam College of Engineering, Mangalam Hills, Vettimukul, Ettumanoor, Kerala, the FIRST PARTY represented herein by its HOD, Civil Engineering Department, **Dr. D Ramesh Kumar**, Mangalam College of Engineering (hereinafter referred as "First Party", the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

Abhis construction, Kottayam the SECOND PARTY, and represented herein by its Managing Director, **Mr. Shinoji Gopi** (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party') as

WHEREAS:

- First Party is a Higher Educational Institution named: **Mangalam College of Engineering**
- First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Placement, Industrial Visit, Expert Lecture.
- Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- Abhis construction, Kottayam the Second Party** is a non-government organization registered under Registrar of companies, providing education and research services.

PRINCIPAL
MANGALAM COLLEGE OF ENGINEERING
Ettumanoor

(Approved by AICTE, Affiliated to MGU / APJ Abdul Kalam Technological University, NAAC Accredited & ISO Certified Institution)

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1

CO-OPERATION

- ❖ Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings.
- ❖ The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents as may be required to give effect to the actions contemplated in terms of this MOU.

CLAUSE 2

SCOPE OF THE MOU

- ❖ The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- ❖ The second party will provide technical assistance in execution of student's project as part of their curriculum.
- ❖ Both Parties to obtain all internal approvals, consents and permissions of whatsoever nature required for offering the Programmes on the terms specified herein
- ❖ There is no financial commitment on the part of the **Mangalam College of Engineering**, the First Party to take up any programme mentioned in the MOU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3

VALIDITY

- ❖ This Agreement will be valid for Three years from the date of execution of this MOU or until it is expressly terminated by either Party on mutually agreed terms.

PRINCIPAL
MANGALAM COLLEGE OF ENGINEERING
Ettumanoor

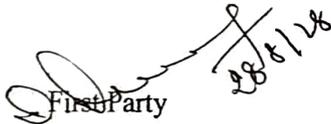

(Approved by AICTE, Affiliated to MGU / APJ Abdul Kalam Technological University, NAAC Accredited & ISO Certified Institution)

- ❖ Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 4

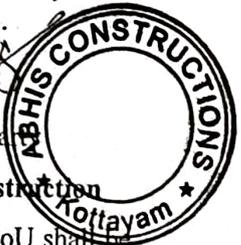

RELATIONSHIP BETWEEN THE PARTIES

- ❖ It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party

Mangalam College of Engineering

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of Name of City.

5. Students undertaking the Programming skills training will be assessed through a machine test (at a discounted fees) and students who clear the assessments will be provided with Developer Certification
6. Placement assistance programme of ICTAK (Students should have obtained the developer certification and have attended the Life skills training alone will be allowed to participate in the programme)
7. Will include Employability quotient test (EQT) to the students with detailed report
8. Preference will be given to Premium member colleges to host our events / Govt. Programs.
9. Minimum 100 students will be trained on varies technology through our partner program (Online) in a year
10. Invitation to participate in ICTAK Conclave at discounted rates
11. Participation to ICTAK Paper presentation (Technical and Management papers) programme at discounted rates
12. Participation to ICTAK Techathlon (ICTAK Technical Ideation event) at discounted rates
13. Invitation to attend the ICTAK Partner programme
14. Invitation to participate in Teacher's Top5 industry interaction programme

15. Invitation to participate in Student's Top10 industry interaction programme.
16. Support to provide limited resources in Tech-events (on the availability basis)
17. Free copies (5 copies) of ICTAK Yearly magazine

2. FEES AND CHARGES (Non Refundable)

COLLEGE agrees to pay the prescribed fees for individual programs plus GST at applicable rate for the time being. The program fee can be paid through DD addressed to ICT Academy of Kerala, payable at Trivandrum or Bank Transfer to ICT Academy of Kerala Bank Account No:34469941089 with State Bank of India, Technopark Branch with IFS Code:SBIN0007617. Cheque and Online payments are also accepted.

COLLEGE agrees to pay the Course Fee and Other Charges prescribed by ICTAK from time to time within the due date. (Please refer Appendix-I for course & fee details).

Activities	Fees	Remarks
Membership Fees for becoming a Premium member	Free	Institution has to qualify the Membership Requirements
Train-the-Teachers on Python and Java Programming skills (any one of it): Free	Free	Nominated teachers must have handled the subject at least once.

3. CONFIDENTIALITY

- a. During and for a period of one year from the date of disclosure, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.
- b. The obligations above shall not extend to any confidential information for which the receiving party can prove that this information:
 - Is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party.
 - is already known or become known to the receiving party
 - is received from a third party having no obligations of confidentiality to the disclosing party,
 - is independently developed by the receiving party; or
 - Is required to be disclosed by law or court order.
- c. During the term of the MoU and thereafter for a reasonable period, all the parties hereto undertake on behalf of their respective subcontractors/ employees/ representatives/ associates to maintain strict confidentiality and present disclosure thereof, of all the information and data exchanged/ generated pertaining to work/ activity under this MoU for any purpose other than that specified in this MoU.
- d. The member institute can use ICTAK logo and can display in their website or other branding activities during the tenure of the agreement. However, the member institute will cease the right to use ICTAK logo upon expiry/termination of the agreement.

4. NON-EXCLUSIVITY

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other agreements or collaborations of any kind. However, when entering into a similar agreement for Skills Enhancement and Faculty Development Programs, the participants may agree to limit each party's right to collaborate with others on that subject.

5. OTHER TERMS

- a) The parties hereto agree to enter into this MoU on a principle-to-principle basis and none of the parties shall do or cause to be done anything derogatory to the reputation of the other;
- b) None of the parties will be held responsible for non-fulfillment of their respective obligations under this MoU due to work/ activity under this MoU for any purpose other than in accordance with this MoU.

[Handwritten signature]

ANGALAN COLLEGE OF ENGINEERING
Erumamoor

- c) The free programs which remain pending at the end of the membership period shall stand as cancelled without notice.
- d) The Course details placed as Appendix II is subject to change when ICTAK themselves and in association with Government Departments and agencies launch new programs. The same will be intimated to the member colleges in advance.

6. TERMINATION

This MOU, unless extended by mutual written agreement of the parties, shall expire one year after the effective date specified in the opening paragraph. This MOU may be amended or terminated earlier by mutual written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon 60 days prior written notice to the other party. However, no such early termination of this MOU, whether mutual or unilateral, shall affect the obligations of the Confidentiality clause or any other agreement entered into pursuant to this MOU, which obligations shall survive any such termination.

Any such termination shall not affect the smooth course completion of the existing batch of students and upon serving of notice of termination by any of the parties, the ICTAK shall immediately restrain itself from further induction of any new batch of students and/or individual students.

Upon serving of notice of termination, none of the parties herein shall be under any obligation to meet with any further expenses of the proposed ICTAK apart from the ones required for the smooth course completion of the existing batch.

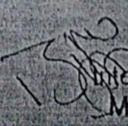

If the college fails to fulfill any one or more of the commitments mentioned in Clause 1(1), the college will not be eligible to hold the title of ICTAK Premium Member for the next year.

7. FORCE MAJEURE

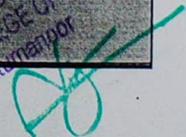

None of the parties will be held responsible for non-fulfillment of their respective obligations under this MoU due to the exigency of one or more of the force majeure events such as but not limited to acts of God, war, flood, earthquakes, strikes, lockouts, epidemics, riots, civil commotions, etc., provided on the occurrence and cessation of any such events, the party affected thereby shall give a notice in writing to the other party within one month of such occurrence of cessation. If the force majeure conditions continue beyond six months, the parties shall jointly decide about the future course of action.

8. ARBITRATION

Except as hereinbefore provided, any dispute arising out of this MoU, the same shall be referred to the arbitration of 2 (two) arbitrators, 1 (one) to be appointed by each party to the dispute and in case of difference of opinion between them to an umpire appointed by the said 2 (two) before entering on the reference and the decision of such arbitrators or umpire, as the case may be, shall be final and binding on all the parties. The venue of arbitration shall be at Trivandrum.

9. NOTICES & COMMUNICATION

All notices and other communications required to be served on each of the parties under the terms of this MOU, shall be considered to be duly served if the same shall have been delivered to by hand and properly acknowledged by the respective party/parties, posted by registered mail or sent by any accredited Courier Service to the respective part/parties at its last known/officially disclosed address of business.

10. AMENDMENTS

No amendments or modification of this MOU shall be valid unless the same is made in writing by all the parties herein or through their authorized representatives and specifically stating the same to be an amendment of this agreement. The modifications/changes shall be effective from the date on which they are made/executed unless otherwise agreed to.

11. RELATIONSHIP

Nothing in this MOU shall be construed to make either party a partner, an agent or legal representative of the other for any purpose.

12. ASSIGNMENT

It is understood by the Parties herein this MOU is based on the professional competence and expertise of each party and hence neither Party shall transfer or assign this Agreement, or rights or obligations arising hereunder, either wholly or in part to any third party.

13. COSTS OF THE MOU

Each Party shall bear the respective costs of carrying out the obligations under this MOU.

14. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

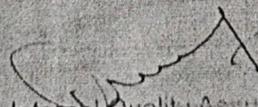

BY SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

In WITNESS WHEREOF, the parties hereto have executed this MOU on this 10/7/2020

CO-OPERATION

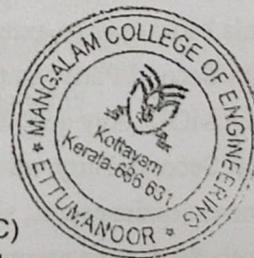

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.
- 1.4 Second Party shall be generally responsible for the administrative and academic implementation of the entire training program.
- 1.5 Second Party shall nominate one of their faculty members who has dedication and Inclination to ASAP as the ASAP Nodal officer and he shall be responsible for the following:
 - a) Organizing and monitoring the smooth conduct of the training.
 - b) Ensuring regular student attendance, quality programme delivery, and punctuality of the SDE/trainer. Nodal officer shall be responsible for intimating the class schedule, recording of the attendance and effectively co-ordinating the training in the Institution. He/she shall also be responsible for maintaining records and accounts of ASAP

Internal Quality Assurance Cell (IQAC)
Mangalam College of Engineering
Kottayam, India - 686 631

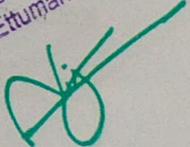

- 1.6 Second Party shall be responsible for providing quality infrastructure throughout the course period, failing which ASAP holds the right to discontinue the course. The continuance of the existing batches or sanction of new batches in the institution will be solely based on the quality of the infrastructure facilities provided and the administrative support and cooperation extended by the institution.
- 1.7 Second Party shall collect the prescribed fee from the students as per the schedule being communicated from ASAP on a time bound basis and shall remit to the ASAP account on the next working day itself
- 1.8 Student selection for the ASAP Programme will start with an orientation session/s conducted by the Programme Manager of ASAP. The Second Party shall arrange for / permit the Programme Manager to conduct awareness programmes to the students and parents by the Programme Manager. The interested students shall be supplied with application forms for the ASAP course which is to be collected and scrutinised by the committee constituted for the purpose.
- 1.9 A committee consists of the Manager/ PTA President, Principal, Nodal officer, Head of the Department, Programme Manager and SDE shall be constituted for the administration, coordination and monitoring of ASAP activities.
- 1.10 Second Party agrees that ASAP Kerala holds the right to monitor the entire process of training through multipronged approach to ensure the quality of the training and to visit and verify any records, documents and information related to the implementation of the programme in the institution and that ASAP reserves all the rights to discontinue the training programme at any time without assigning any reason.
- 1.11 Nodal Officer: The Second Party shall nominate and authorize one of the faculty members of Second Party as Nodal officer, as a single point of contact, on behalf of Additional Skill Acquisition Programme Kerala to coordinate the launch and successful implementation of the Programmes.
- 1.12 Faculty coordinator: Second Party shall nominate and approved by Additional Skill Acquisition Programme to train /facilitate theory or practical at the institution, approved by Additional Skill Acquisition Programme Kerala in face to face teaching,

SCOPE OF THE MoU

- 2.1 Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Skill Development Programs:** First Party to train the students of Second Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.3 **Faculty Development Programs:** First Party to train the Faculties of Second Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.4 **Placement/internship of Trained Students:** Both the parties will actively engage to help the delivery of the training and placement of students into internships/jobs; and will facilitate placements of the students.
- 2.5 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein
- 2.6 There is no financial commitment on the part of the **Mangalam College of Engineering, Ettumanoor**, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

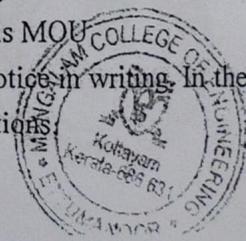

TERM AND EFFECTIVE DATE

- 4.1 The Parties agree that the duration of this MoU shall be for 3 (Three) years from the date of signing, which shall also be the effective date of the MoU.
- 4.2 This MoU may be extended by mutual written agreement of the Parties.
- 4.3 The Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Mangalam College of Engineering, Ettumanoor**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU.
- 4.4 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of termination, both parties have to discharge their obligations.

Internal Quality Assurance Cell (IQAC)

Mangalam

Kottayam, India - 686 631

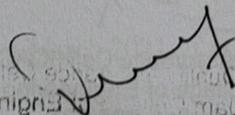

RELATIONSHIP BETWEEN THE PARTIES

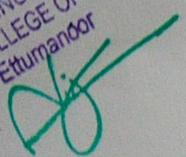

5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

NOTICES

6.1 Any notice approval, consent and or other notification required or permitted to be given hereunder shall be in writing in English and shall be personally delivered, or transmitted by registered post with postage fully paid or transmitted by fax to the address specified below or to such other addresses as may, from time to time be given by each Party to the other in writing and in the manner herein before provided to:

Respected Sir/Madam,

Thank you for reaching out to Virtual Labs NITK Surathkal and submitting EoI to be a Virtual Labs Nodal Centre as per the Circular issued by APJ Abdul Kalam Technological University. It is a great pleasure to welcome Mangalam College of Engineering on board for this mission on enhancing the prospects of virtual experiential learning.

Further, we also request you to identify and nominate one faculty member from each engineering department at the institute as a department level coordinator of the Virtual Labs project, who shall constitute the core team along with the Nodal Centre Coordinator to coordinate activities pertaining to Virtual Labs at the NC and liaison with the Virtual Labs team at NITK Surathkal on a regular basis.

As a Nodal Centre (NC), once the faculty members complete the introductory training they may explore the experiments and materials relevant to their subject area on their own and shall further train the students in a general as well as subject specific manner. In future we may organize face-to-face sessions at your institute and also explore options to experience and collaborate with the facilities and projects at the Centre for System Design, the transdisciplinary research and consultancy centre of NITK Surathkal that undertakes several projects including the Virtual Labs.

We shall update the further activities to the Nodal Centre Coordinator shortly. In the meantime, you may kindly revert to us in case of any queries or clarifications.

MISCELLANEOUS PROVISIONS:

1. The Memorandum of understanding (MoU) as outlined in this document is not intended to be a legally binding document. Rather, it is meant to describe the nature and cooperative intentions of **Yatnam** and **Mangalam** to suggest guidelines for cooperation. Nothing, therefore, shall diminish the full autonomy of either party, nor any constraints be imposed by either party upon the each other, and nothing in this Agreement shall be deemed to create a partnership, joint venture, or agency relationship between the parties.
2. The use of the name, logo and/or official emblem of any of the parties on any publication, document and/or paper is allowed only, after seeking explicit prior permission in writing by either party.
3. The Memorandum of understanding or any part thereof may be amended at any time during its tenure only by consent in writing of the parties.
4. The Memorandum of understanding is not intended to create any legal relation of the members amongst the parties.
5. Through this Memorandum of Understanding Yatnam and Mangalam **affirm** their commitment to fulfil and achieve the objectives mutually agreed upon in this Memorandum of understanding.

PREAMBLE

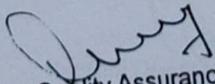

Interaction between industries and technical interactions will provide immense mutual benefit and also satisfy societal relevance. Realizing this objective, this college and the industry named above, have signed this MOU in order to achieve the desired results.

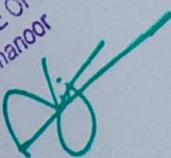

ABOUT THE INSTITUTION

Mangalam College of Engineering (MLM) stands supreme in the field of technical education with excellence and quality in education. In keeping with MLM's goal of excellence, the academic programs is supported by well experienced and dedicated faculty, which is committed to equip the student with knowledge and skills needed to succeed in today's rapidly changing world. Approved by the All India Council for Technical Education (AICTE) and affiliated to the Mahatma Gandhi University in Kerala, MLM is promoted by the Mangalam Educational Society, with a mission to bring out leaders for a technology – driven environment.

ABOUT THE COMPANY

Netalla Innovations Private Limited is a specialized tech advisory firm with more than eighteen years of experience in implementing innovation labs in educational and research institutions, executing corporate training programs and executing system integration projects. Netalla specializes in executing networking infrastructure, IT infrastructure and system integration projects for leading Fortune 500 companies and educational institutions. As a leader committed to fast-paced, high-quality service, we work to ensure high levels of satisfaction for our customers and aim to continue to delight our customers through our deep-level IT expertise and advisory capabilities. We also offer training programs to help with skill development, skill augmentation and technology driven learning for students in higher education. We help academic institutions modernize their content and transform their delivery methods for better learning outcomes and enhanced alignment with industry.

Netalla's programs include the following:

Netalla had incorporated a win-win offering for Universities/Colleges/Institutions and their students by offering following:

- **Industry Oriented Learning for students:** A vibrant community of industry and academic professionals focused on improving learning outcomes, and working as a community to enhance learning. Netalla aims to bridge the gap between industry and academia while delivering engaging content to students.
- **Learning Methodology:** Learning methodology developed by market leaders to enhance the understandability of emerging technologies via Online learning platform that includes video sessions, assignments, instructor-led live online sessions and various level of assessments.
- **Active Engagement of students** by moving the learning process beyond the classroom. The learning incorporates various assignments, practical scenarios that ensure student's participation and interactions with instructor and also with batch-mates.
- **Global Certification focused learning:** Students will get certifications which are valid globally and got a great identity in the Industrial front, top recruiters like Ernst and Young, Dellote, Infosys, Wipro, TCS etc.
- **Opportunity for Internship in the technology field:** Students will be given real-time scenarios and projects which will enable them to get an internship certification from Netalla Innovations.
- **Enhancing placement outcomes:** Expanding placement opportunities by bringing industry-oriented course curricula to colleges, institutes and universities.

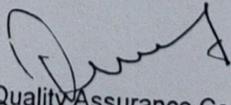

SCOPE FOR INTERACTION

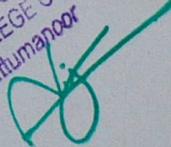

The proposed interaction will include the following:

- a) Partner with your esteemed college to setup an "Artificial Intelligence (AI) and Machine Learning (ML) Integrated Internet of Things (IoT) " CoE in your college premises. Netalla is ready to contribute 20% of the cost of the laboratory, subject to a cap of 4 lakhs only.
- b) Setup Netalla's incubation center at your college premises to provide in-house training, product development through paid internships for students.
- c) Encouraging and allowing the students of the college to interact with working groups of the industry so as to increase their knowledge level.
- d) Exposing students to problems encountered in the real time projects.
- e) Encouraging involvement of students to take up projects of the industry and build up professional confidence & competence.
- f) Offering valuable inputs to the college as a feed-back from the industrial sector in respect of latest technological development in the area of interaction.
- g) Consultation with faculty of the college in respect of R & D and consultancy projects.
- h) Offering guidance for suitable placement for students.
- i) Organizing seminars on specific areas of interest of the industry for knowledge sharing.

TERMS OF AGREEMENT

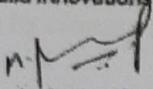

1. This agreement is valid for a period of five years, and may be extended further on mutual consent.
2. The MOU can be terminated with 3 months' notice on either side.
3. This agreement is governed by and construed in accordance with Indian Laws.
4. The head of department concerned will be the coordinator for the interaction on behalf of the college and the industry will nominate a representative for the aforesaid interaction.

Memorandum of Understanding Between Electronics And Communication Department of Mangalam College of Engineering and Technovia Info Solutions Pvt Ltd.

1. Preamble

WHEREAS, Electronics and Communication Engineering Department of Mangalam College of Engineering (hereinafter referred to as DECE), with headquarters at Mangalam hills, Ettumanoor, Kottayam 686631, Kerala, India;

WHEREAS, Technovia Info Solutions Pvt Ltd. (hereinafter referred to as Technovia) with administrative office at C10, Tenth Floor, Heavenly Plaza, Padamugal, Kakkanad, Kerala-, India;

Now therefore, DECE and Technovia have agreed to the following:

2. Objective

The objective of this MOU is to enter into an agreement on the technology transfer and its adoption in the newer generation of engineers in the area of Software to improve the overall employability of students of DECE and industry ready skilled engineers for Technovia.

Specific activities under this MOU will be arrived through frequent interactions between the two parties. Technovia agrees to provide knowledge transfer to assist DECE in skilling its students on new technologies in the field of Embedded System. DECE agrees to inform and educate its students on the current knowledge transfer being provided by Technovia and assist Technovia in providing training to the students of DECE.

3. General Terms of MOU

3.1 Duration of MOU: This MOU shall be operational upon signing and will have an initial duration of three year. All activities conducted before this date within the vision of the joint collaboration will be deemed to fall under this MOU .

3.2 Coordination: In order to carry out and fulfil the aims of this agreement, each party will appoint an appropriate person(s) to represent its organization and to coordinate the implementation of activities.

3.3 Technical Support: Addendums to this MOU can be developed for specific technical support activities. Work plans and reporting requirements will be clearly outlined in the Addendums.

3.4 Confidentiality: Each party agrees that it shall not, at any time, after executing the activities of this MOU, disclose any information in relation to these activities or the affairs of business or method of carrying on the business of the other without consent of both parties.

3.5 Termination of MOU: The partnership covered by this MOU shall terminate upon completion of the agreed upon period. The agreement may also be terminated with a written one

2.1 COLLEGE/INSTITUTION

2. ROLES AND RESPONSIBILITIES

IT Assets which form part of this agreement with KSETIL, provided to the eligible are placed as Appendix II

Under this MOU, KSETIL provides the telepresence infrastructure for setting up Hi-tech class rooms in the participating College/Institutions upon mutually agreed terms and conditions.

1. SCOPE

WHEREAS, GOK is investing in Technology enabled, Industry supported Skills Delivery Platform Kerala (SDPK) that will have the reach and quality to the engineering students in Kerala. Through the platform, targeted long term skills programmes that are industry relevant and high quality is to be delivered to the Engineering Colleges/Institutions in the state.

WHEREAS, KSETIL, acting as the Special Purpose Vehicle (SPV) of Government of Kerala in SDPK project vide G.O.(RT) No. 05/2017/ITD dated 11/01/2017 for the implementation of the Telepresence Infrastructure in the College/Institutions, attempt to bridge the employability gaps and to produce skilled workforce for the growing needs of industry.

OBJECTIVES OF THE MOU

The objective of this Memorandum of Understanding is:

- ii) Uninterrupted power supply with UPS Back up, a/c, lighting etc.
- iii) Security to ensure safe keeping of implemented equipment (cc camera or access card system to ensure only authorized access)
- iv) Any other accessories required to support the installation of Tele-presence Classroom
- v) The participating College/Institutions should ensure that they provide at least one batch (60 students) towards each of the skill programme that would be run through SDPK platform from time to time.
- vi) The participating College/Institutions should be willing to provide 3-4 teachers as tutors for various skills programme that would be delivered through the platform.
- vii) The installed devices shall be the property of Govt. and the upkeep of the installed equipment is the responsibility of participating institutes. While the selected vendor for the project will fulfil the on-going regular maintenance of the equipment, any damage due to mishandling of equipment should be rectified by the College/Institutions at their own cost.

c. To designate an Institutional Nodal Officer (INO) who will have responsibility for coordination and implementation of this MOU;

2. **KSITIL**

- a. To provide and install the necessary IT Infrastructure in eligible College/Institutions after evaluating whether the College/Institution comply with the eligibility criteria.
- b. To ensure confidentiality and secure custody of all data collected from College/Institution.
- c. To designate a Coordinator (Nodal Officer, who will have responsibility for coordination and implementation of the terms of this MOU.
- d. College/Institution in operation (if within 5 years it is closed), the equipment to be transferred to KSITIL in normal working condition.

3. DURATION

The agreement remains in full force till the time the IT Infrastructure facilities are used by the College/Institutions. Shifting of assets to other premises or any other acts mentioned in Clause 6 & 7 below shall not make any clauses of this agreement invalid.

4. CONFIDENTIALITY

- a. During and for a period of one year from the date of disclosure, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed, confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.
- b. The obligations above shall not extend to any confidential information for which the receiving party can prove that this information:
 - Is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party.
 - is already known or become known to the receiving party
 - is received from a third party having no obligations of confidentiality to the disclosing party,
 - is independently developed by the receiving party; or
 - Is required to be disclosed by law or court order.
- c. During the term of the MoU and thereafter for a reasonable period, all the parties here to undertake on behalf of their respective subcontractors/ employees/ representatives/ associates to maintain strict confidentiality and prevent disclosure thereof, of all the information and data exchanged/ generated pertaining to work/ activity under this MoU for any purpose other than that specified in this MoU.
- d. The member institutes cannot use Government logo for displaying in their website. The IT Infrastructure setup by the Government shall not make member institutions eligible to claim that they are related to the Government in any manner.
- e. The confidentiality obligation under this clause shall survive for a period of 3 years post termination or expiration of this Agreement.

5. EXCLUSIVITY

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other agreements or collaborations of any kind. However, when entering into a similar agreement for Skills Enhancement, the member institutions shall not use the facilities setup by the Government for conducting such programs.

6. LOCATION, USE AND MAINTENANCE OF IT ASSETS

College/Institution shall not remove or relocate the IT Assets provided by KSITIL without the prior consent. KSITIL or any other person or entity who is nominated to do so, shall be entitled to access and inspect the premises at any time during working hours with or without prior intimation. College/Institutions at its own expense shall provide all necessary maintenance and keep the assets in good condition as that in which it was received.

The IT Assets provided shall be used exclusively for running SDPK programs or other programs approved by Govt. of Kerala and in the event of any deviation from the usage guidelines by College/Institutions, KSITIL can with or without notice initiate legal action against the College/Institutions, including, but not limited to revenue recovery of assets. The usage guidelines are attached as Appendix III.

College/Institutions agrees to use, operate, repair and maintain the IT Assets in compliance with the applicable laws, regulations, including without limited to all safety laws, Information Technology Laws, industry codes, academic standards framed by the University, government regulations and all specifications and operating and maintenance manuals.

the IT Assets during the term the assets are in its possession. KSITIL shall keep the IT Assets insured with a policy equivalent to the full replacement value of the IT Assets. College/Institutions shall report all incidents of damage or loss with respect to the IT Assets within 10 days to KSITIL.

Any damages to the IT Assets installed at College/Institution premises shall be rectified by the College/Institutions. KSITIL is not liable to do the same and the company shall not issue any warranty or guarantee with respect to the assets installed. College/Institutions may avail the Manufacturer or Supplier Warranty for making good the damages.

8. IDENTIFICATION

College/Institutions shall not sell, sublease, mortgage, pledge, encumber, remove or otherwise dispose of the IT Assets in any manner. Any such act shall entitle KSITIL to confiscate the IT Assets and claim for damages and other legal remedies.

9. OTHER TERMS

- a. The parties hereto agree to enter into this MoU on a principle-to-principle basis and none of the parties shall do or cause to be done anything derogatory to the reputation of the other;
- b. None of the parties will be held responsible for non-fulfillment of their respective obligations under this MoU due to work/ activity under this MoU for any purpose other than in accordance with this MoU.
- c. This agreement contains the entire understanding of the parties, and supersedes all prior agreements and understandings with respect to its subject matter. This agreement may not be modified except in writing signed by duly authorized representatives of both parties.

10. SEVERABILITY

Any law restraining the validity and enforceability of any provision of this Agreement shall not affect the validity or enforceability of the remaining

Signature of First Part

provisions of this Agreement, and shall be deemed as not containing the invalid provisions. The remaining provisions of this Agreement shall remain in full force and effect unless the invalid or unenforceable provision comprises an integral part of or otherwise inseparable from the remaining agreement. In such a case, the Parties to this Agreement shall attempt to agree on a provision that is valid and enforceable and similar to the original provision.

11. AMENDMENT OR TERMINATION

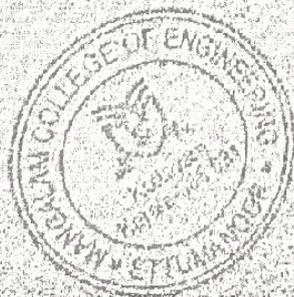

This MOU may be amended or terminated by mutual written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon 60 days prior written notice to the other party. However, no such early termination of this MOU, whether mutual or unilateral, shall affect the obligations of the Confidentiality clause or any other agreement entered into pursuant to this MOU, which obligations shall survive any such termination.

Any such termination shall not affect the smooth course completion of the existing batch of students and upon serving of notice of termination by any of the parties. Upon serving of notice of termination, none of the parties herein shall be under any obligation to meet with any further expenses of the proposed KSITIL apart from the ones required for the smooth course completion of the existing batch. When the College/Institution terminates the agreement, KSITIL is entitled to claim damages with respect to the installation and other costs incurred during the period on the IT Assets with interest and confiscate the assets. If the assets are found in a condition which is not identical to that at the time of installation, KSITIL shall have the right to claim damages for the same as well.

12. FORCE MAJEURE

If the performance of any obligations by any party as specified in this Agreement is prevented, restricted, delayed or interfered by reason of force majeure then notwithstanding anything contained hereinabove, the Party affected shall be excused from its performance to the extent of such performance relates to such prevention, restriction, delay or interference and provided the Party so affected uses its best efforts to remove such cause of non-performance and when removed

the Party shall continue performance with utmost urgency. For the purpose of this article "Force Majeure" means and includes fire, explosion, cyclone, floods, war, revolution, blockage or embargo, any law, order, demands or requirements of any Government or statutory authority, strikes, which are not instigated for the purpose of avoiding obligations herein or any other circumstances beyond the control of the Party affected.

13. SETTLEMENT OF DISPUTE AND JURISDICTION

(i). If any dispute or difference of any kind whatsoever may arise between the Parties in connection with or arising out of this agreement, the Parties shall attempt for a period of 30 days after receipt of notice by the other Party of the existence of a dispute to settle such dispute in the first instance by mutual discussions between the Parties.

(ii). All disputes, differences or questions arising out of this Agreement including the interpretation of the terms herein or in regard to the obligations, failure or breach of any terms thereof by either of the party under this Agreement or of any matter whatsoever arising under this Agreement which have not been mutually settled as per the provisions of clause 15.1, shall be referred to Arbitration under the provisions of the Arbitration and Conciliation Act, 1996. The Parties shall mutually appoint an Arbitrator. The place of Arbitration shall be Thiruvananthapuram. The language for Arbitration shall be English. The provisions of this clause shall survive the termination of this Agreement.

14. NOTICES & COMMUNICATION

All notices and other communications required to be served on each of the parties under the terms of this MoU, shall be considered to be duly served if the same shall have been delivered to by hand and properly acknowledged by the respective part/ parties, posted by registered mail or sent by any accredited Courier Service to the respective part/parties at its last known/ officially disclosed address of business.

15. RELATIONSHIP

It is hereby understood and agreed that this Agreement is on a Principal to Principal basis and neither Party shall describe itself as an agent, partner, joint-venture partner, employee, or representative of the other Party, or pledge the credit of the other Party in any way or make any representations or give any warranties to any third party which may require the other Party to undertake or be liable for, whether directly or indirectly, any obligation and/or responsibility to any third party or enter into contracts on behalf of the other Party.

16. ASSIGNMENT

KSITIL has the authority to engage any third parties, not limited to subcontractors, for the effective implementation or setup of the IT Assets which forms part of this agreement in the College/Institution premises.

Other responsibilities which come under this agreement shall not be assigned by either party to any other person or entity without the written consent of the other party. Being a Government initiative, the concurrence of Government of Kerala may also be required in certain incidents, which are to be discussed and settled on a case to case basis with reference to the Government rules, notifications and regulations.

17. NO LIABILITY OR AUTHORITY

Nothing in this Agreement shall give either Party any rights to use any trade names or trademarks or any service marks (or the goodwill associated therewith) which are used by the other, save as may be authorized by the latter in writing.

18. FURTHER ACTS AND ASSURANCES

Each of the Parties agrees to execute and deliver all such further instruments and to do and perform all such further acts and things, as shall be necessary and required to carry out the provisions of this Agreement.

19. MATTERS NOT PROVIDED IN

If any doubt arises as to the interpretation of the provisions of this Agreement or as to matters not provided therein, the Parties shall consult with each other for each instance and resolve such doubts in good faith.

20. GOVERNING LAW

This Agreement shall be governed by and construed and interpreted in accordance with the laws of Republic of India. Subject to the provisions of clause 13 herein, the Parties shall be subject to the exclusive jurisdiction of the Courts in Thiruvananthapuram

21. INDEMNIFICATION

Either Party shall indemnify and keep indemnified, and defend and hold harmless the affected party, its respective officers, employees, and agents from and against all losses, damages, legal proceedings, liabilities and claims at law, or in equity including without limitation costs, expenses and lawyers fees, directly or indirectly arising out of or resulting from the representations contained herein or its obligations under this Agreement.

Memorandum of Understanding (MOU)

This Memorandum of Understanding ["MOU"] is entered into on the 3rd day of January 2019 ("Effective") at Kottayam, by and between

Department of Electrical Engineering of, Mangalam College of Engineering, Ettumanoor, Kerala-India, hereinafter referred to as the first party, having its campus at Mangalam Hills, Vettimukal, Ettumanoor, Kerala- 686631, represented by HoD, Prof. Susan V Ninan .

and

The Wildflower foundations and structures, India, has its corporate office No.40, JFX, Miss East Road, Baker Junction, Kottayam - 686001, represented by Managing Partner, Sri. Vinodh Ninan hereafter called the second party.

In this course of the MOU, both the parties mentioned above have been individually referred to as "Party" and jointly as "Parties."

Whereas, The Wildflower foundations and structures, India, has over two decades of experience in the construction industry. Wildflower Construction specializes in designing and building custom homes. Wildflower foundations and structures also aim to encourage freshers in areas such as construction, electrical wiring, and designing and make them job-ready.

and Whereas

Mangalam College of Engineering strives to serve as a center for fostering cooperation and exchange of ideas between the academic and research community on the one hand and the industrial and government employers on the other and to promote entrepreneurship among students and to co-operate with industries both in public and private sectors to devise courses of instruction which would meet the requirements of such industries.

and Whereas,

Wildflower foundations and structures, Kerala, has approached Mangalam College of Engineering to build a common interest in providing industry-relevant training to engineers, enhancing awareness, expanding the industry connection, and in the process, increasing employability. The Industry related training shall be on the campus of Mangalam College of Engineering or at the corporate office of Wildflower foundations and structures, India, considering the expertise, authority, industry connect, training resources, infrastructure, and other direct training-related supplies.

The parties intend to enter into this MOU to provide a framework as per the below clauses to establish the collaboration between them and define certain rights and obligations between the parties.

TERMS and CONDITIONS:

1. Collaborated activities between the Industry and the Institute include the two-way transfer of technical information and knowledge through a collaborative program like workshops, guest lectures, seminars, internships, and industrial visits.
2. Provide access to knowledge resources at the institution and the Industry. Utilize, with mutual consent, the laboratories and the testing facilities available at the institute/Industry for the execution of joint ventures/activities. Provide technical assistance/guidance to UG/PG internship, projects undertaken and research work of mutual interest
3. Mangalam College of Engineering commits to make the availability of students, Professors, Training Rooms, and licensed software on computers/workstations/servers during programs as may be required.
4. Proprietary information disclosed by the company in the course of discussion and training under this MoU shall be kept highly confidential. The college shall not use the company's name or its trademarks or make any reference to the MoU or the program in any manner of publicity without the company's prior written permission.
5. Mangalam College of Engineering is aware that the business activities of the company are self-regulated by the "Company Code of Conduct" which is incorporated by reference herein.
6. This MoU is effective from the date of signing and will remain valid for a period of three years and can be renewed unless terminated by either party, upon thirty (30) days of written notice to the other.
7. It is also agreed upon that the MoU does not restrict the company to implement the program in other institutes/universities.

Memorandum of Understanding

With

MANGALAM COLLEGE OF ENGINEERING, MBA DEPARTMENT

This Memorandum of Understanding (MOU) is entered into on this 23rd November day of 2018 by and between Kerala Management Association and Mangalam College of Engineering, MBA Department. We agree that cooperation in research collaborations and student and faculty exchanges would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activities such as:

- Faculty exchange based on reciprocity;
- Reciprocal placement of students in paid internships and co-ops, when possible;
- Joint conferences and workshops;
- Team taught courses, including online courses; and
- Visits by faculty, professional staff, and students.

The parties anticipate that a number of these initiatives will occur during the period of this MOU. However, neither party is obligated to agree to any minimum number of activities, nor is this MOU intended to preclude either party from entering into similar agreements with other institutions.

The following initiatives provide good starting places and can be implemented as soon as administrative details are agreed upon between the two institutions:

- Summer joint MBA electives;
- Summer undergraduate experiences;
- Dual degree programs;
- Cooperation in academic and research programs to include, but not limited to, sustainability

This MOU shall be identified as the parent document of any program agreement executed between the parties. Further agreements concerning any program shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.

A handwritten signature in blue ink is located in the bottom right corner of the page. The signature is stylized and appears to be the name of the Principal.

PRINCIPAL
MANGALAM COLLEGE OF ENGINEERING
Ettumanoor

Responsibilities of home institution for academic semester or academic year exchanges:

The home institution will:

- Provide the host institution with names of courses that are essential to their own students' curricular plan.
- Advise its students about academic and cultural expectations at the host institution.

Responsibilities of the host institution for academic semester or academic year exchanges:

The host institution will:

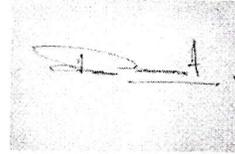

- Assign an academic advisor to all incoming students.
- Provide the home institution with a final transcript of the student's academic performance.

For agreed upon activities, both institutions will make available their facilities and staffs. This MOU will take effect on and will be valid for five (5) years from the date noted in the first line of this document unless terminated by one of the parties. Either party may withdraw from this MOU provided written notification of the withdrawal is given to the other party at least three (3) months prior to the desired withdrawal date. This MOU may be renewed for another period of five (5) years upon mutual written consent of the parties before the expiration date. Each institution will have copies of this agreement.

The following authorized individuals have signed the present MOU on behalf of their respective institutions:

Mr. S R Nair
President
Kerala Management Association

Prof Dr John T Varughese
Dean
Mangalam Management Studies

PRINCIPAL
MANGALAM COLLEGE OF ENGINEERING

Appendix 1 (Sample)

The Collaboration will initially focus on developing partnerships in the areas of **Sustainability**

Rationale

There are strong similarities between Wellesley College and _____, particularly from a planning/ facilities/ sustainability standpoint. Both Institutions:

- have suburban settings;
- are currently undertaking the largest capital development programs in their histories;
- have similar enrollment numbers;
- have a commitment to maintaining a sustainable campus environment.

Potential Activities

- Student exchange/visits/scholarship between Wellesley College and _____.

Rotary International Club, Kottayam East

Memorandum of Understanding (MOU)

This Memorandum of Understanding [“MOU”] is entered into on the 6th day of October 2020
[“Effective”] at Kottayam, by and between

Department of Mechanical Engineering of Mangalam College of Engineering, Ettumanoor Kerala-India, hereinafter referred to as the first party, having its campus at Mangalam Hills Vettimukal, Ettumanoor Kerala- 686631, represented by Principal, Prof. Dr. Manoj George

and

Smitha Metal Industries, Atharampuzha P. O, Kottayam-686562, represented by Managing Director, Sri. O. I. Soman hereafter called the second party

In this course of the MOU, both the parties mentioned above have been individually referred to as “Party” and jointly as “Parties”.

Whereas

Smitha Metal Industries is a registered industry undertaking works of various companies. Works includes engine repair, lathe works, moulding works, shaper works, milling works, pipe bending, etc. **Smitha Metal Industries** also aims to encourage freshers in areas such as production planning, Designing of various components, Welding, Machine tool operations etc. and make them job-ready.

and Whereas

Mangalam College of Engineering strives to serve as a center for fostering co-operation and exchange of ideas between academic and research community on the one hand and the industrial and government employers on the other and to promote entrepreneurship among students and to cooperate with industries both in public and private sectors to devise courses of instruction which would meet the requirements of such industries.

and Whereas

Smitha Metal Industries has approached Mangalam College of Engineering to build a common interest in providing industry-relevant training to engineers, enhancing awareness, expanding the industry connection, and in the process, increasing employability. The Industry related training shall be at key industries, considering the expertise, authority, industry connect, training resources, infrastructure, and other direct training-related supplies.

The parties intend to enter into this MOU to provide a framework as per the below clauses to establish the collaboration between them and define certain rights and obligations between the parties.

PRINCIPAL
MANGALAM COLLEGE OF ENGINEERING
Ettumanoor

TERMS and CONDITIONS:

1. Smitha Metal Industries, imparts training to students and faculty of college and professionals working in the field during the mutually convenient period either in the institution or in the Industry.
2. Collaborated activities between the Industry and the Institute include two way transfer of technical information and knowledge through a collaborative program like workshops, value added courses, guest lectures, Seminars, Symposia, and other interactive programs.
3. ~~A professional fee for the services extended can be considered on case to case basis. The fee may be collected from participating agencies, like students, faculties, college or any individual or corporate. The fact that the investment in machinery, plant, consumables, and manpower may have to be considered and justified.~~
4. Provide access to knowledge resources at the institution and the Industry. Utilize, with mutual consent, the laboratories and the testing facilities available at the institute/Industry for the execution of joint ventures/activities. Provide technical assistance/guidance to UG/PG internship, projects undertaken and research work of mutual interest.
5. Participation in joint research projects of DST, CSIR, CREDEL, etc., and public sector units. Participation of joint consultancy. Promote and support innovative projects undertaken by students and Staff of GAT and AMS-India.
6. Mangalam College of Engineering commits to make the availability of students, Professors, Training Rooms and licensed software on computers/workstations/servers during programs as may be required.
7. Proprietary information disclosed by the company in the course of discussion and training under this MoU shall be kept highly confidential. The college shall not use the ~~company's name or its trademarks or make any reference to the MoU or the program in~~ any manner of publicity without the company's prior written permission.
8. Mangalam College of Engineering is aware that the business activities of the company are self-regulated by the "Company Code of Conduct" which is incorporated by reference herein.
9. This MoU is effective from the date of signing and will remain valid for a period of two-years and can be renewed unless terminated by either party, upon thirty (30) days of written notice to the other.
10. It is also agreed upon that the MoU does not restrict the company to implement the program in other institutes/universities.

2. Collaborated activities between the Industry and the Institute include two-way transfer of technical information and knowledge through a collaborative program like workshops, value added courses, guest lectures, Seminars, Symposia, and other interactive programs.
3. A professional fee for the services extended can be considered on case to case basis. The fee may be collected from participating agencies, like students, faculties, college or any individual or corporate. The fact that the investment in machinery, plant, consumables, and manpower may have to be considered and justified.
4. Provide access to knowledge resources at the institution and the Industry. Utilize, with mutual consent, the laboratories and the testing facilities available at the institute/Industry for the execution of joint ventures/activities. Provide technical assistance/guidance to UG/PG internship, projects undertaken and research work of mutual interest.
5. Participation in joint research projects of DST, CSIT, CREDEL, etc., and public sector units. Participation of joint consultancy. Promote and support innovative projects undertaken by students and Staff of GAT and AMS-India.
6. Mangalam College of Engineering commits to make the availability of students, Professors, Training Rooms and licensed software on computers/workstations/servers during programs as may be required.
7. Proprietary information disclosed by the company in the course of discussion and training under this MoU shall be kept highly confidential. The college shall not use the company's name or its trademarks or make any reference to the MoU or the program in any manner of publicity without the company's prior written permission.
8. Mangalam College of Engineering is aware that the business activities of the company are self-regulated by the "Company Code of Conduct" which is incorporated by reference herein.
9. This MoU is effective from the date of signing and will remain valid for a period of two-years and can be renewed unless terminated by either party, upon thirty (30) days of written notice to the other.
10. It is also agreed upon that the MoU does not restrict the company to implement the program in other institutes/universities.

11. Neither this MoU nor any negotiations or other understandings prior or pursuant to the execution of the MoU shall constitute a binding and legally enforceable agreement, nor give rise to any liability between the parties. Notwithstanding the foregoing, however, the provisions of "Confidentiality", "Intellectual Property Rights" and "Term and Termination" shall be binding upon and enforceable in accordance with their terms against the parties and their successors and permitted assignments.
12. The parties have caused their respective duly authorized representatives to execute and deliver this MoU on the date mentioned hereinabove.
13. All notices, requests, demands, and other communications under this MOU or in connection herewith shall be given to or made upon in writing by letter or email to the respective Parties (or Single Points of Contact) as follows:
