INDUCTION PROGRAMME 2020-2021

The Induction Program (SCIENTIA 2K20) was organized for all first-year students from 25th November 2020 to 5th December 2020 in the online mode (Covid-19 pandemic protocols). The theme of the program is "Guide through program in Engineering". This program was organized keeping in mind that proper induction to engineering education and career could give the students clarity and objectivity on the program they are about to start. Social Service, Technical Talk, Department Interaction, Sports, Games, Webinar, Soft Skill Training and cultural programs were the highlights of the program. The program was inaugurated by chairman Shri. Biju Varghese on 25.11.2020.

EFE department conducted a induction program for first year students
from 3/12/2020 to 5/12/2020.

The induction program comprised of interesting activities like expert lectures, arduino programming, yoga classes, puzzles and games, campus orientation sessions. The rationale for induction was to ensure a smooth transition for the students into the university system.

A total of 27 students participated in this program which was conducted from 3/12/2020 to 5/12/2020. Faculty and student volunteers from across programs worked extensively to ensure that the induction was well organized. The following report includes the schedule and brief notes on the various events conducted as part of the induction program.

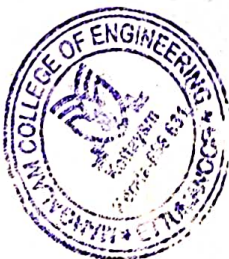

➤ **YOGA class by Mr. Hariprasad**

On the 1st day, i.e. the 3/12/2020, Yoga is a group of physical, mental, and spiritual practices or disciplines which originated in ancient India. Yoga is one of the six Āstika schools of Indian philosophical traditions. There is a broad variety of yoga schools, practices, and goals in Hinduism, Buddhism, and Jainism.

➤ **ALUMINI Interaction by Assistant Er. Induchoodan, KSEB,**

On the 1st day, i.e. the 3/12/2020, Morning session will be held by Assistant Er. Induchoodan, KSEB, Kerala who is an alumni of Mangalam college of Engineering. Session time 9.15 to 10.15. The students got a direct insight into how to reach on their dream job in KSEB by experience shared by our alumni Er. Induchoodan, KSEB.

➤ Gaming and puzzle session by Mrs. Priya Thomas ,AP, EEE and Mrs. Krupa Ann Kurian ,AP, EEE

In order to improve logical reasoning of students eee department conducted Gaming and puzzle session which students enjoyed a lot.

Dr. Vijakumari ,Retired professor from RIT, Kottayam: Session on 'Universal Human Values'

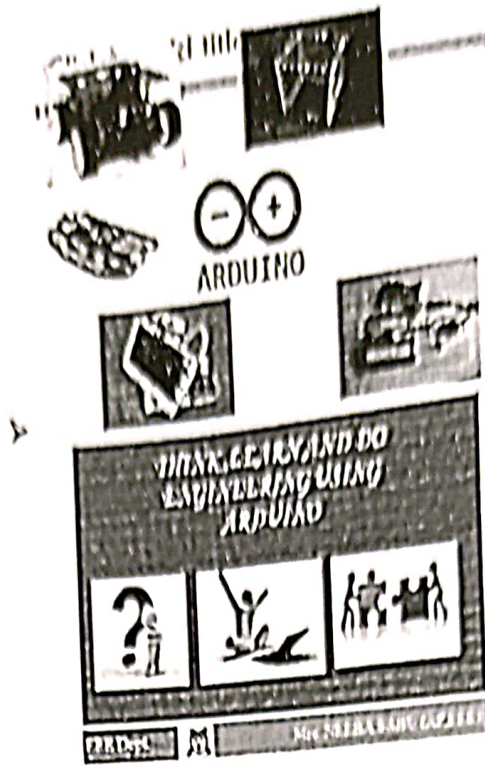

On the 1st day, i.e. the 17th of July, 2018, a number of distinguished speakers and scholars interacted with the enthusiastic fresh entrants via google meet. The topics of these talks ranged from spirituality and motivation to Indian social issues and economics. The programme began with the highly interactive and motivating talk on 'Universal Human Values' by Swami Swatmananda, Reliance, Mahindra & Mahindra, Tata Motors and Toyota have benefitted from Swami ji's stimulating talks. The dynamic guru, who is loved by the youth for his camps and inspirational sessions, engaged the students in a refreshing and educative session. Her simple words coupled with audio-visual inputs threw new light on the meanings of 'success' and 'education' for the young listeners. In a light-hearted manner, she dwelt upon serious themes.

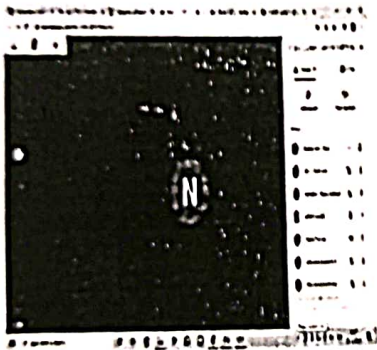

Mrs. NEEBA SABU : Session on "Do Engineering using Arduino"

INDUCTION PROGRAMME 2020-2021

The Induction Program (SCIENTIA 2K20) was organized for all first-year students from 25th November 2020 to 5th December 2020 in the online mode (Covid-19 pandemic protocols). The theme of the program is "Guide through program in Engineering". This program was organized keeping in mind that proper induction to engineering education and career could give the students clarity and objectivity on the program they are about to start. Social Service, Technical Talk, Department Interaction, Sports, Games, Webinar, Soft Skill Training and cultural programs were the highlights of the program. The program was inaugurated by chairman Shri. Biju Varghese on 25.11.2020.

First session of eighth day was carried out by Mr. Vinodh Sreedhar, and delivered a talk on "Career prospectus & importance of engineering". Dr. Biju Paul conducted the second session on "Life of a successful engineer". session on afternoon of the same day was creative learning. It was done by Prof. Manish Jain from KTU.

As usual 9th day started with yoga and workout for the students. The main session conducted on the day was on the topic "Excelling in engineering education" by Dr. Saji Gopinadh. The session is followed by "Programming for beginners" delivered by Mr. Pranveen Sankar from KTU.

The last day was quiet interesting as they had a stage to explore their talent in the afternoon session. for forenoon sessions a technical talk on "introduction to ICT tools" by Dr. Ranju S Kartha was done and the next session was presented by Dr. Sabu George on the topic "Importance of research skill for engineers". Adv. Dr. Abraham Chettissery was conducted a talk on "Goal setting for technical advancement". The 10 days of induction programme was ended with sport activities in the evening.
