**IMPORTANT INFORMATION**

Refer to [www.lambtoncollege.ca/International](http://www.lambtoncollege.ca/International) for arrival, orientation, refund and withdrawal information.

The Sarnia campus is located 300 kilometers from Toronto. By making a pre-payment you acknowledge that you have received, read, and agree to the terms outlined in our Important Information for Sarnia Applicants PDF. If you did not receive this document you must contact [international@lambtoncollege.ca](mailto:international@lambtoncollege.ca) before remitting payment. Transfers to other locations or into other programs is not permitted.

Lambton College cannot guarantee co-op placements for students. Students will be expected to canvass employers to find their own placement. Students that do not achieve a minimum cumulative GPA of 2.8 are not permitted to register in co-op; as an alternative, academically weak students will be required to complete an intensive in-class full time applied project during the fourth term of the program. Please review [https://www.lambtoncollege.ca/Services/Co-op\\_and\\_Career\\_Services/Co-op\\_FAQs/](https://www.lambtoncollege.ca/Services/Co-op_and_Career_Services/Co-op_FAQs/)

A laptop with wireless capability is required in all programs. Courses may be delivered online - in part or in their entirety - due to the evolving COVID-19 situation. E-textbook and courseware purchases are mandatory for most programs.

Medical insurance is mandatory for all full-time, part-time & co-op students of Lambton College. International students are not permitted to opt-out of the medical insurance fee. Medical insurance is provided by Guard.me - a third-party insurance provider. Guardme does not replace the coverage under OHIP (Ontario Health Insurance Plan) for yourself or any member of your family. The medical insurance is a basic package that is subject to change on an annual basis. Not all conditions are covered and prospective international students are strongly urged to review the coverage details prior to arriving in Canada.

Guardme coverage is only effective from the first day of your academic term. Students who arrive early in Canada should independently purchase separate insurance to cover themselves until the first day of classes. Lambton College is not responsible for the costs of any form of health care services received or sought by the student.

Students in certain programs may be required to complete a series of technical writing workshops to progress into the second semester of study.

Students must follow their prescribed program map and follow the academic schedule. Deferrals will not be approved.

The stated tuition and living costs are provided as an estimate and are subject to change.

Second year fees are likely to increase by a minimum of \$600.

Please contact [international@lambtoncollege.ca](mailto:international@lambtoncollege.ca) if you require this document in an accessible format.
