MAINTENANCE PROCEDURE

MACHINES/ELECTRICAL/COMPUTERS

The complaints will be reported by the lab authorities or the concerned person through requisition note to the concerned department. The department head will verify it and report the same to the administration division and necessary rectification will be done through official agencies. Once the rectification or maintenance work is completed, the bills will be certified by the technician, lab staff or HOD along with the completion certificate and will forward to finance department for payment.

These things are applicable for major complaints. Minor complaints will be rectified by procuring spares from the local market to avoid delay.

VEHICLES

A workshop has been set for the immediate maintenance of all campus vehicles. Necessary spares for the same will be procured from the market on request.

UPS, GENERATORS AND TRANSFORMERS

An Annual Maintenance contract has been signed with the supplier and it will be renewed every year.

Complaints if any will be registered with the supplier and will attend within 24 hours on receipt of call from authorities.

Apart from this a provision has been made in the budget for the maintenance of building, furniture and fixtures and the same will be done annually during semester break.

A vender will be assigned for the maintenance of furniture fixtures. Building maintenance will also be done through quotations annually as when required.

The material or equipments moving out or coming inside the campus are controlled by IN PASS AND OUT PASS. Security at the main gate will check the pass and the material. A register has been maintained and verify periodically. Moreover for all purchases, the security officer and the purchase officer will verify, certify the goods physically before payment.
