Dear Dr. T D Subash,

Thank you very much for your recent proposal "**Portable Mechanical Ventilator (10 Units)**" (20-COV-96) in response to the IEEE HAC & SIGHT Special Call for Project Proposals.

The HAC & SIGHT Review Committee would like to provide support for this project and is pleased to award funding in the amount of US \$5,000.00. This amount must be used to fund the project as per the budgeted amount submitted with your proposal. HAC funds may only be used to support the construction of the device prototype. Funds may not be used for tests on people or mass production and deployment. Medical device manufacturing and deployment are highly regulated fields and require partnership with and approval by relevant national/federal, state, and/or local authorities.

Please note the [Message from IEEE on coronavirus COVID-19](#), particularly "We request that all members avoid conducting in-person activities in areas impacted by the coronavirus threat and instead maximize the use of our online and virtual alternatives."

As an added benefit of being an HAC/SIGHT COVID funded project, you will be part of a Community of Practice (CoP) for projects within a related subject area. In your case, you will be part of the Medical Devices CoP. The aims for the CoP are to increase information sharing between related projects, thus speeding the learning curve, when possible; provide guidance and mentoring, when needed; develop and track common indicators; and collect lessons learned to enable future replication and scaling.

The HAC & SIGHT Review Committee requires that you clearly measure the project's progress and use of funding and provide brief updates every two weeks, ideally with photos or video for social media sharing, as well as a final report within 2 months of the project's completion.

### Please confirm:

1. that you accept the terms of this offer
2. that the funds can be routed through the **IEEE Kerala Section** via their custody account - *if so, we request acknowledgement from the OU's Chair or Treasurer that the funds will be received from us to disburse for your project.*
3. start & end dates of your project with this funding, suggesting **8 July 2020 - 7 January 2021** to give time to transfer funds. Please advise if you prefer another date range (6 months is max allowed).

Upon receipt of this information, we can begin to initiate the necessary documents to proceed with this funding.

Congratulations!

HAC & SIGHT Review Committee
